**Reason for Return / Problem / Symptoms / Fault Codes:**  
 (Required for all Items)

1 \_\_\_\_\_  
 2 \_\_\_\_\_  
 3 \_\_\_\_\_  
 4 \_\_\_\_\_

**No Problem - Fault Found (NPF):**

- ❖ A product that is returned using RMA of type “Warranty Repair” , “Repair” or “Warranty Exchange”.
- ❖ Upon evaluation the product is functional and passes all factory tests.
- ❖ A fee is charged if
  - RMA type “Repair” A “No Problem Found” fee that is lower than the repair price will be charged
  - RMA type “Warranty repair”: A “No Problem Found” fee will be charged as per (NPF) Chart below.
  - RMA type: “Warranty Exchange”: if available the customer requests to have the recertified product returned, a PO will be required for the recertification fee and the cost of the exchanged part.

Drives Inspection Fees are determined according to the chart below
